

## EDUCATION

BFA Graphic Design '04; *Rhode Island School of Design*, Providence, RI  
BS Computer Science '00; *University of Chicago*, Chicago, IL

## DESIGN EXPERIENCE

Designer, 2004–2007  
*Emtype*; Boston, MA

Responsible for web, print, and identity projects in conception through to completion. Worked with clients and programmers to determine and meet needs. Oversaw and directed interns. Held client-specific tutorial sessions on Photoshop and CMS use.

Senior Marketer and Graphic Designer, 1998–2000  
*MAB Productions*; Chicago, IL

Determined advertising budget, strategy, and timeline for concert productions averaging \$45K. Created and maintained the organization's website. Produced ad copy, graphics, and press releases for events. Supervised and trained marketing assistants.

Webmaster and Creative Designer, May 1998–June 1999  
*Council on University Programming*; Chicago, IL  
Spearheaded the organization's website development. Created graphics and contracted vendors to produce promotional items such as t-shirts.

Web Designer, 2003  
*Studio Luz*; Boston, MA  
Designed and developed a Flash-driven and easily updateable website to showcase the architecture studio's key projects.

Design Intern, April 2002–May 2002  
*Urban Gateways: Center for Arts Education*; Chicago, IL  
Provided design for the catalog of programs and a fundraiser invitation card. Laid out an issue of the group's newsletter.
